## **ADVISORY REQUEST TO PARENTS**

In view of seasonal sickness/weather related health issues, we request parents to follow health protocol for their wards, like using masks, sanitizers & frequent hand washing etc.

We sincerely request parents not to send their wards incase of any symptoms of ailment till wards are fully cured. We pray for safety & security of our children.

Using mask will be mandatory for everyone w.e.f. 18.07.2022 for entry in the Vidyalaya.
